

\* El Dorado County was not able to directly participate in the Blueprint project that led to the SACOG Board's adoption of the 2050 Blueprint concept map and growth principles. The land use pattern shown on this map represents SACOG's expected growth in El Dorado County through 2035, the planning horizon year of the next Metropolitan Transportation Plan. For the other 5 counties in the SACOG region this map represents Blueprint growth through 2050.
