Planning Commissioner Questionnaire

Please provide answers to the following questions:

1) How do you view the relationship between the City Council, Planning Commission, and staff?

- 2) Provide details on special skills or expertise you may have in any of the areas below:
 - a. Paid or unpaid experience in planning?

b. Specific expertise in environment, transportation, economics, social or other potentially applicable areas of study or experience.

c. Experience in business management, or related activities that might help you grapple with some of the economic issues faced by the city and the business community.

3) How would you balance your personal/philosophical beliefs with regulatory parameters/policy objectives on an issue or project?

4) What do you feel are contributing factors to making a residential neighborhood a good place to live?

5) What do you feel are contributing factors to making a good commercial or industrial area?
