Space Needed

Please indicate your approximate space needed _____

Electrical Needs

In order to plan for electrical needs, we need to know the amps and voltage of all appliances and equipment you will be using. This information is usually imprinted on the appliance.

Appliance/Equipment, etc.

Voltage

Amps

If there are changes in equipment, it is imperative that you notify the Department. If additional appliances or equipment are brought to the event without prior notification to the Department, you may not be allowed to use the equipment/appliance. It is vital that this information be completed on this application form since a decision on space placement cannot be made until all electrical needs (based on voltage and amps) are calculated.

Return application to: Community Services /4th of July Application
646 A Street
Davis, CA 95616

In order to allow each organization the maximum amount of participation, only one vendor will be allowed to offer a certain type of activity. Applications will be accepted on a first come first serve. For more information, please email Maria Lucchesi at mlucchesi@cityofdavis.org. or call 757-5696.
