The City shall assume no obligation whatsoever for any costs or expenses that are incurred in connection with the attendance of the designated Association members at such conference; nor will the City grant any benefits of any kind to the extent that such designated employee members of the Association attend the conference while not regularly scheduled to be on duty.

C. MEMBER COUNSELORS

The City recognizes that PASEA assigns regular, full-time City employees to serve as “Member Counselors” who represent the Association and its members and handle grievances pertaining to the employer-employee relations resolutions (Resolution No. 1303, Series 1973). A current list of Member Counselors shall be made available to the City together with any changes thereto.

The Member Counselors’ duties during their regular work hours shall be as follows: (1) to investigate and discuss a grievance with any employee within his or her area of representation. If, after a discussion, there is a valid reason for the grievance to be filed, the Member Counselor may assist the employee in presenting the grievance at the appropriate step of the procedure; (2) to represent employees during meetings conducted by or on behalf of the City involving the employee’s performance or conduct.

Such leave will not constitute a break in the employee's continuous service for the purposes of salary adjustments, sick leave, vacation or seniority. The five (5) days per contract year shall be transferable between the officers of PASEA. The City reserves the right to refuse PASEA leave requests due to work requirements.

E. AGENCY SHOP

ARTICLE VI

COMPENSATION

A. MARKET ADJUSTMENT

Bargaining unit classifications identified in the City’s total compensation study conducted in 2017 as being more than 5% below the market median total compensation (See Exhibit A for list of those classifications) will have their base hourly pay rate increased to 5% below the market median (total compensation) effective the pay period beginning June 4, 2018.

B. COST OF LIVING SALARY INCREASES

Effective the pay period beginning June 18, 2018, employees covered by this Agreement will receive a one percent (1%) cost of living salary increase.

Effective the pay period beginning July 2, 2018, employees covered by this Agreement will receive a two percent (2%) cost of living salary increase.

Effective the first pay period following July 1, 2019, employees covered by this Agreement will receive a two percent (2%) cost of living salary increase.

Effective the first pay period following July 1, 2020, employees covered by this Agreement will receive a two percent (2%) cost of living salary increase.

C. ONE-TIME NOT REPORTABLE OFF SALARY SCHEDULE PAYMENT

Employees actively employed as of both June 1, 2018 and the date of the payment set forth below will receive a one-time off-salary schedule payment on or about July 16, 2018. The amount of the one-time payment will be calculated as 2% of the employee’s annual base pay (base pay rate as shown on salary table as of June 1, 2018), and pro-rated based on date of hire for those first employed after July 1, 2017. The one-time payment will be included on a regular paycheck and is subject to regular payroll tax withholdings and deductions. This one-time payment is not reportable as compensation for retirement purposes and therefore, not subject to contribution deduction.

D. PENSION COST SHARE

Beginning on July 1, 2019 and July 1, 2020, employees shall make additional pension “cost sharing” contributions of zero to one percent (0% - 1%) per year or shall receive additional increases to base salary of zero to one percent (0% - 1%) per year, as described below. These cost sharing contributions or wage increases to base pay, if applicable, shall continue beyond the expiration of the MOU and shall constitute the status quo for all purposes until the parties mutually agree to alternative pension contribution arrangements.

1. For July 1, 2019:

PASEA MOU 7/1/17 to 6/31/21
CalPERS projected total employer contribution rate as a percentage of payroll (CalPERS actuarial valuation for miscellaneous plans—June 30, 2016) for fiscal year 2019-2020 is 39.7%. To the extent the actual total employer contribution rate is higher than 39.7%, the employee will contribute a correspondingly increased contribution up to an additional one percent (1%) effective the pay period following July 1, 2019. (For example, if the total contribution rate is actually 40.2%, an employee’s contribution would increase by 0.5% of base pay.) To the extent the actual total employer contribution rate is lower than 39.7%, the employee will receive an additional increase in base pay of up to one percent (1%) effective the pay period following July 1, 2019. (For example, if the total contribution rate is actually 39.2%, employees would receive an increase in base pay of 0.5%.)

2. For July 1, 2020:
CalPERS projected total employer contribution rate as a percentage of payroll (CalPERS actuarial valuation for miscellaneous plans – June 30, 2016) for fiscal year 2020-2021 is 42.5%. To the extent the actual total employer contribution rate is higher than 42.5%, the employee will contribute a correspondingly increased contribution up to an additional one percent (1%) effective the pay period following July 1, 2020. To the extent the actual total employer contribution rate is lower than 42.5%, the employee will receive an additional increase in base pay of up to one percent (1%) effective the pay period following July 1, 2020. The examples provided in subsection (a) above also apply to the 2020 deviations from the projected rate.

The above cost sharing shall be capped as follows:

CLASSIC Miscellaneous Members – Total sum of the employee contribution rate (currently 8%) plus any additional contribution(s) under this provision shall not exceed 10% by the end of the contract term.

PEPRA Miscellaneous Members – Total sum of the employee contribution rate (“50% of the normal cost” as set by CalPERS - currently 6.25%) plus any additional contribution(s) under this provision shall not exceed 8.25% or 50% of the normal cost as established by CalPERS, whichever is higher.

Any cost sharing resulting from this agreement shall be pursuant to Government Code Section 20561(f).

E. CONFIDENTIAL EMPLOYEES

Under the City of Davis Employee Employer Relations Resolution 1303, Series 1973, “Confidential Employee” is defined as an employee who participates in making or has advanced knowledge of decisions of the City affecting employee relations.

The confidential designation of selected positions protects the confidentiality of the City's bargaining process and strategy, both in general contract negotiations and in day-to-day interaction
with employee unions and associations. The employees who occupy positions designated as confidential serve as essential support members to the management team and are restricted from representing any employee organization, which represents other employees of the City of Davis, on matters within the scope of representation.

Positions designated as “confidential” are assigned to classifications which include “confidential” in the classification title, as listed in Appendix A. The base pay rate for these classifications includes five percent (5%) above their “non-confidential” counterpart.

F. LONGEVITY

In recognition of the substantial contribution to the community made by employees as a result of the length of their aggregate City service, the City shall award employees the longevity pay indicated below:

<table>
<thead>
<tr>
<th>Service Term</th>
<th>Longevity Pay</th>
</tr>
</thead>
<tbody>

<td>2.5% increase above base pay</td>
</tr>
<tr>
<td>After twenty (20) years of service with the City pay</td>
<td>Additional 2.5% increase above base pay</td>
</tr>
</tbody>
</table>

The maximum longevity pay is a five percent (5%) increase above the employee’s base pay.

Longevity pay shall be included on each eligible employee’s bi-weekly payroll. Eligible employees who leave City service and return within two (2) years of separation will receive credit for prior service time. If an eligible employee leaves City service and returns after more than two (2) years of separation prior service time will not be credited.

Longevity pay is earnable special compensation within the meaning of Section 20636 of the California Government Code and Section 571(a)(1) of the CalPERS regulations and/or as defined pensionable compensation in the California Government Code and the CalPERS regulations as amended.

G. MERIT SALARY ADJUSTMENTS (MSA)

ARTICLE VII

HOURS OF WORK, OVERTIME, AND SCHEDULING

The standard work week for all employees shall be from 12:01 a.m. Monday to midnight the following Sunday. The standard work schedule for full time employees shall be 40 hours per work week.

When an employee is required to work part or all of his or her regularly scheduled meal period, such time will be considered time worked. In such a case, the meal period may be re-scheduled by the supervisor.

A. REST BREAK FOR 10 HOUR SHIFTS

The basic intent is to provide three daily rest breaks: Two fifteen minute rest breaks, and one ten minute rest break.

The fifteen minute period is the total rest period time for each of two of the day's breaks, and any travel time is to be included as part of the fifteen minute period. The ten minute period is the total rest period for one of the day's breaks, and any travel time is to be included as part of the ten minute period.

The rest break(s) shall be scheduled on as flexible a basis as possible, taking into account the need to provide continuing services and the intent to provide three rest breaks daily, if possible. No more than two such rest periods shall occur in any half of the work period.

If circumstances result in the loss of a rest break, or two or three, on any given day, the break time is lost and shall not be taken on any other subsequent day.

A rest break, or breaks, shall not be accumulated or eliminated on any day as a method of reducing the time in a total daily work period. For example, it is not appropriate to skip a rest break in order to take an extra fifteen minutes at lunch time. It would also not be appropriate to skip a break, or breaks, and come in late at the start of the daily work period, or leave early at the end of the daily work period.

B. REST BREAKS FOR 8 HOUR SHIFTS

The basic intent is to provide two daily rest breaks of fifteen minutes each: fifteen minutes during the first half of the work period, and fifteen minutes during the last half of the work period. The fifteen minute period is the total rest period, and any travel time is to be included as part of the fifteen minute period.

The rest break(s) shall be scheduled on as flexible a basis as possible, taking into account the need to provide continuing services and the intent to provide two rest breaks daily, if possible. If circumstances result in the loss of a rest break, or both rest breaks, on any given day, the break time is lost and shall not be taken on any other subsequent day.
A rest break, or breaks, shall not be accumulated or eliminated on any day as a method of reducing the time in a total daily work period. For example, it is not appropriate to skip a rest break in order to take an extra fifteen minutes at lunch. It would also not be appropriate to skip a break, or breaks, and come in late at the start of a daily work period, or leave early at the end of the daily work period.

C. WORK WEEK SCHEDULE; OVERTIME

Authorized time worked in excess of 40 hours in a work week is overtime. Paid sick leave, paid vacation, and compensatory time off shall not be counted as time worked for purposes of this article.

The City and the Association agree that employees may work an alternative work schedule (i.e., 9/80, 4/10, etc.) in accordance with the City’s existing alternative work schedule policy when such a schedule is operationally feasible. Requests for an alternative work schedule shall not be unreasonably denied and denials may be appealed to Human Resources.

D. COMPENSATORY TIME

ARTICLE VIII

BENEFITS

A. FLEXIBLE BENEFIT PLAN (CAFETERIA PLAN)

In accordance with “The City of Davis Flexible Benefits Plan” adopted November 21, 2006, the City provides a Flexible Benefit Plan ("the Plan") that qualifies as a cafeteria plan within the meaning of Section 125 of the Internal Revenue Code ("IRC"). The regular and intended effect of the Plan, is to enable employees to (a) pay monthly premiums for the health benefits plans offered by the City on a pretax basis or (b) receive a cash out benefit that is not included in the employee’s hourly rate. The details of Plan eligibility and operational requirements are set forth in the Plan documents.

The City is a participating employer in the CalPERS Public Employees’ Medical and Hospital Care Act (“PEMHCA”) pursuant to the City’s PEMHCA resolution and Government Code Section 22892.

1. All eligible employees must enroll in one of the PEMHCA medical plans unless they submit to the City satisfactory proof of alternative medical insurance coverage.

   (a) Employees who fail to complete this requirement will be enrolled in the lowest cost health insurance policy the City offers through CalPERS.

   (b) Flexible Benefit Plan contributions for any of the other qualified benefits as provided for in IRC Section 125.

2. The term “eligible employee” for this article shall include:

   (a) Regular full-time employees as defined in the Personnel Rules.

   (b) Regular part-time employees as defined in the Personnel Rules. Regular part-time employees receive prorated benefits based on the percentage of full-time equivalency. For example a regular employee budgeted at 30 hours per week will receive 75% of cafeteria benefit.

   (c) Employees may change their health plan participation only during open enrollment or in response to a qualifying event.

B. HEALTH BENEFITS CONTRIBUTION

Effective the plan year beginning January 1, 2018, the City will contribute to each eligible bargaining unit employee’s cafeteria benefit plan $1,744.26 towards monthly medical premiums. Effective each year thereafter, the City’s contribution towards monthly health care premiums will increase based on actual increases in the health care premium rate for the regional Kaiser plan the
City is linked to for employees plus two or more dependents (i.e., family level) as follows: The City will contribute the first three percent (3%) of any increases in health premiums for applicable regional Kaiser area plan for employees plus two or more eligible dependents and will contribute fifty-percent (50%) of any increase that is greater than six percent (6%) in any plan year. This City contribution includes the minimum employer contribution (MEC) pursuant to Government Code Section 22892.

C. PEMHCA

For qualifying regular employees enrolled in a CalPERS PEMHCA medical plan, the City is obligated to pay the minimum employer contribution to CalPERS on behalf of qualifying employees pursuant to the City’s PEMHCA resolution and Government Code section 22892. The City contribution in Section B. above includes the minimum employer contribution.

D. CASH IN-LIEU

Bargaining unit employees with outside health/dental coverage, such as through a spouse, domestic partner, or other acceptable alternative health coverage, and employees who select less expensive benefits within the cafeteria plan, can elect to take the unused portion of their cafeteria contributions allotted for medical and dental benefits as cash in lieu of receiving any or all of the actual benefit. The amount of cash in lieu is capped at five hundred dollars ($500) per month.

Employees hired before February 28, 2010 may cash out the difference between the monthly premium costs for the health benefits selected and the City’s maximum monthly contribution for cash out purposes of $1,483 up to a maximum of $500. For example, if an employee selects health benefits costing $1,300 per month, the maximum cash out would be $183 (i.e., $1,483.08-$1,300 - $183.08).

Employees hired after February 28, 2010 may only cash out the difference between the monthly premium costs for the health benefit selected and the City’s maximum monthly cash out of $500 per month. For example, if an employee selects health benefits costing more than $500 per month, the employee would receive no cash out benefit.

E. DENTAL BENEFITS CONTRIBUTION

The City shall contribute towards each bargaining unit employee’s cafeteria benefit plan the total monthly premium for the City’s self-funded dental plan for employee with two or more dependents. City will continue to include unmarried dependents through age 22.

F. LIFE INSURANCE & LONG-TERM DISABILITY BENEFIT

The City will make available to each covered employee a monthly amount equal to the sum of the following life and long term disability insurance benefit payments. Participation in the life insurance and long term disability insurance is mandatory and these premiums may not be taken as cash in lieu.
1. The City shall contribute towards each Association member's cafeteria benefit plan the amount to purchase a $30,000 policy. Purchase of this policy is mandatory.

This policy will carry an accidental death and dismemberment (AD&D) rider. The AD&D rider provides a benefit of up to $30,000 subject to the terms and conditions of the policy.

2. The City shall provide long term disability (LTD) insurance coverage for all employees. The City shall contribute towards each Association member's cafeteria benefit plan the amount to purchase the Long Term Disability Benefit provided in City of Davis Self-Insured Long Term Disability Plan. Purchase of this policy is mandatory.

The City agrees to make available to each covered employee the following optional benefits. Participation in these benefits is optional, and there will be no additional contribution by the City to purchase these benefits.

1. SUPPLEMENTAL LIFE

The City shall make available to all represented employees the option to purchase supplemental term life and accidental death and dismemberment insurance, at no cost to the City, subject to the insurance carrier's additional premiums, conditions and/or requirements. Optional coverage shall be in increments of $10,000. The option to increase or decrease coverage shall be exercisable during open enrollment periods.

2. FLEXIBLE SPENDING ACCOUNTS

The City provides a Flexible Spending Account ("FSA") into which employees may contribute a portion of their regular earnings to pay for qualified dependent care (Dep Care FSA)or medical expenses (Unreimbursed Medical FSA) on a pre-tax basis in accordance with IRS regulation. The City shall pay all administrative costs associated with establishing and maintaining flexible spending accounts.
In accordance with IRS regulations, any unused amounts contributed to the FSA are not reimbursed to the employee when the employee fails to submit proof of eligible reimbursable expenses during a calendar year. However, up to five hundred dollars ($500) of unused amounts remaining at the end of the plan year in the unreimbursed medical FSA may be carried over and paid or reimbursed to participating employees for qualified medical expenses incurred during the following plan year. All other unused amounts in an employee’s FSA cannot be rolled over to the next calendar year.

3. VISION CARE

City shall continue to make vision care available to the Association, at no cost to the City.

ARTICLE XI

LEAVES AND ATTENDANCE

A. VACATION

The purpose of annual vacation leave is to enable each eligible employee annually to return to his or her work mentally refreshed. As noted in the Personnel Rules, all regular full-time employees and all regular part-time employees who work more than 1040 hours per year are eligible to earn vacation leave.

Regular part-time employees who work less than full time, but more than 1040 hours a year, may earn vacation on a prorated basis. For example, those employees who work three-quarters time (approximately 1560 hours) may earn three-quarters of the vacation leave applicable to their years of service.

For purposes of computing annual vacation leave, a working day shall be considered as one-fifth of the number of working duty hours in the established work week. Employees shall be credited with vacation leave according to the following schedule:

<table>
<thead>
<tr>
<th>Years of Employment</th>
<th>Vacation Days Earned Per Year</th>

<tbody>

The times during a calendar year at which an employee may take his or her vacation shall be determined by the department head with due regard for the wishes of the employee and particular regard for the needs of the service.

If the requirements of the service are such that an employee cannot take part or all of his or her annual vacation in a particular calendar year, such vacation either shall be taken during the following calendar year or paid for at the discretion of the City Manager.

Any eligible employee, with the consent of his or her department head, may defer as many working days of his or her annual vacation as he or she accumulates during a given year to the succeeding calendar year, subject to other provisions of this rule. A written report of each deferred vacation signed by the proper department head, noting the details, shall be kept on file with the Human Resources Division.
In the event one or more municipal holidays fall within an annual vacation leave, such holidays shall not be charged as vacation leave, and the vacation leave shall be extended accordingly. Employees who terminate employment shall be paid in a lump sum for all accrued vacation leave earned prior to the effective date of termination.

B. CASH OUT OF VACATION LEAVE

Employees are encouraged to take their vacation off with pay. However, employees who have at least ten (10) years of service with the City and a minimum of one (1) year’s vacation accruals “on the books” (prior to the cash out) may cash out (sell back) up to eighty (80) hours of vacation. In compliance with IRS regulations, employees must make an irrevocable election to receive a cash payment of vacation leave hours prior to accruing those hours. Employees must submit an irrevocable election form to Human Resources no later than December 31 of the year prior to the year in which the vacation leave will be accrued and paid out. An employee may cash out the apportioned hours throughout the year, limited to the amount of vacation leave accrued as of the time of the cash out. For example, a full-time employee accruing eighty (80) hours of vacation leave per year, accrues at a rate of 3.0769 hours per pay period. It will take this employee seven (7) pay periods to accrue twenty (20) hours sought to be cashed out. Therefore, the employee could not receive a cash payment for twenty (20) hours until the eighth pay period of the year. In no event will apportioned hours be carried over from one calendar year to the next.

C. SICK LEAVE

Sick leave shall not be considered as a right to be used at the employee’s discretion, but shall be allowed only in case of necessity and actual personal illness or disability in accordance with the Personnel Rules and Regulations adopted September 13, 2000 and as subsequently amended.

1. Sick leave shall be earned at the rate of eight (8) hours for each calendar month of service.

Regular part-time employees who work in a position budgeted for less than full-time, but more than 1,040 hours per year, shall be credited sick leave on a prorated basis. For example, part-time employees regularly scheduled to work twenty (20) hours per week accrue at a rate equal to four (4) hours for each calendar month of service.

2. In order to receive compensation while absent on sick leave, the employee shall notify his or her immediate supervisor or other appropriate department at least one (1) hour before the time set for beginning the daily duties, or as may be specified by the Department Head.

3. In situations where, in the City’s discretion, circumstances indicate potential sick leave fraud or abuse, the City reserves the right to require medical certification of absences attributed to sick leave. However, nothing in this provision shall be
construed that any employee waives any right of privacy guaranteed under state and/or federal law.

4. In addition to the uses currently permitted in the City’s personnel Rules, Sick Leave may be used in accordance with California’s Paid Sick Leave law, as it may from time to time be amended. Under current law, an employee may use paid sick leave for one of the following reasons:

- For the employee’s own diagnosis, care, or treatment of an existing health condition or preventative care.
- For the diagnosis, care, or treatment of an existing health condition or preventative care for an employee’s family member, including:
  - Spouse or Registered Domestic Partner.
  - Child (including a biological, adopted, or foster child, stepchild, legal ward, or,
  - Parent (including biological, adoptive, or foster parent, stepparent, or legal guardian of an employee or the employee’s spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child.)
  - Grandparent.
  - Grandchild.
  - Sibling.

Sick Leave may be used to obtain any relief or services related to being a victim of domestic violence, sexual assault, or stalking including the following with appropriate certification of the need for such services:

- A temporary restraining order or restraining order.
- Other injunctive relief to help ensure the health, safety or welfare of themselves or their children.
- To seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.
- To obtain services from a domestic violence shelter, program, or rape crisis center as a result of domestic violence, sexual assault, or stalking.
- To obtain psychological counseling related to an experience of domestic violence, sexual assault, or stalking.
- To participate in safety planning and take other actions to increase safety from future domestic violence, sexual assault, or stalking, including temporary or permanent relocation.

5. Accrued sick leave has no cash value or value other than as wage replacement during a qualifying absence. No payment shall be made for unused sick leave at termination of employment whether voluntary or involuntary, except that upon retirement under CalPERS, unused sick leave shall be treated as additional time in service for the purpose of computing retirement benefits.
D. BEREAVEMENT LEAVE

Upon the death of a family member (as defined within paragraph C above), employees may use up to three standard days (24 hours) of paid bereavement leave per calendar year. Such leave does not accrue, has no cash value and does not accumulate over time. If such loss requires additional time from work or the employee suffers more than one loss with the year, an employee may be approved to use sick leave for purposes of grieving and travel to and from memorial services. Such additional time may require documented verification of loss. If an employee requires time to address the business or personal affairs as a result of such loss, the employee may request approval to use vacation or CTO with appropriate notice and coordination with operational needs.

E. PARENTAL LEAVE

The existing Parental Leave Policy shall remain in effect.

F. YEAR END VOLUNTARY TIME OFF

During the Thanksgiving week and between Christmas and New Years, all employees are encouraged to take vacation or comp-time off. It is understood that there are employees involved in essential operations who may not be able to take time off at this time. The City Manager will determine before the Holiday Season which, if any, city facilities will be closed the week of Thanksgiving and between Christmas and New Years and what days those facilities will be closed. For the days that city facilities are closed, if and when employee utilizes leave without pay, the City agrees (for this purpose only) to waive the provision of the Personnel Rules that provides that to receive pay for an observed holiday, an employee must work or be on approved leave on the work day before and work day after the holiday. City also agrees (for this purpose only) not to adjust or reduce health, dental, life insurance benefits, leave time accruals or seniority for the period an employee on leave without pay due to the City's year-end closure. Only the employee's pay will be adjusted.

G. HOLIDAYS AND HOLIDAY PAY

1. The holidays to be observed by the City are as follows: January 1; the third Monday in January; the third Monday in February; the last Monday in May; July 4; the first Monday in September; November 11; Thanksgiving Day; the day after Thanksgiving Day; December 24; December 25; December 31; and every day proclaimed by the mayor of the City of Davis upon approval of the City Council as a public holiday (however, in no case, shall the City of Davis observe the same holiday on more than one day).

(a) Whenever a holiday falls on a Sunday, the following Monday shall be observed as a holiday in which case the Sunday shall not be considered a holiday for any purpose.
(b) Whenever a holiday falls on a Saturday, the preceding Friday shall be considered as a holiday in which case the Saturday shall not be considered a holiday for any purpose.

(c) Whenever the application of sections (a) and (b) above result in a holiday falling on another holiday, employees will be credited with eight (8) hours vacation time on the first pay period following the holiday.

(d) Employees whose regular work day normally consists of more than eight (8) hours shall not be entitled to use more than eight (8) hours of holiday per day.

(e) All miscellaneous employees shall receive holiday pay in the form of salary at straight time for each recognized holiday.

2. Floating Holidays

City shall continue to grant two and one-half days floating holidays in lieu of California Admission Day, Lincoln's Birthday holiday and from 1:00 p.m. to 5:00 p.m. Good Friday. Floating holidays shall accrue like vacation time and City policy regarding vacation leave shall apply.

3. Holiday Hours Worked

Employees who work on a holiday recognized by the City shall have the option, solely at the employee's discretion, to be compensated for the time actually worked on the recognized holiday, either as:

(a) Wages at a rate of double time, or
(b) Compensatory time off at double time. Up to eight (8) hours of compensatory time off may be taken by the employee the same week as the holiday worked subject to advance approval by the department head based upon the work situation at the time.

The compensation for holiday hours worked shall be in addition to the holiday pay specified above.

H. IN LIEU OF HOLIDAY LEAVE -- WORKERS ON AN IRREGULAR WORK WEEK

1. Employees who normally work an irregular work week (i.e., other than Monday through Friday) shall be entitled to the same amount of time off for holidays as those who work a regular work week. Any employee who works an irregular work week shall be credited with straight time off as in lieu of Holiday Time. At the end of the calendar year, each department shall submit to the City Manager a report which reflects the following data:
(a) Names of employees who worked an irregular work week during the preceding calendar year;

(b) The holidays that were actually lost as a result of the irregular work schedule, as verified by actual time card audit; and

(c) The total number of 'lost' hours.

After inspection and validation, the City Manager shall authorize those employees to be credited with the additional vacation hours for these lost holidays. The actual adjustment will be a one-time, lump-sum adjustment.

2. As an alternative to the procedure set forth above, and subject to the limitation regarding the number of holiday hours allowed per day, the affected employee may request a different day off (or a combination of 1 day's hours off on one or more days) during the same work week as the holiday occurs. The Department Head may, at his or her discretion, approve such request.
ARTICLE XII

EMPLOYEE EDUCATION

Employees are eligible for reimbursement of tuition and books in accordance with the City’s Tuition and Book Reimbursement Policy and Procedure. To ensure funding can be budgeted for such training, employee shall submit requests to their department for the upcoming fiscal year no later than May 1st, including their education plan for classes to be completed during the following fiscal year. Upon approval by the department head that training requests meets the eligibility requirements, the department head shall take into consideration all requests received and submit a budget request to fund training. Ideally, all requests would be honored, however, in the event of multiple requests, consideration will be given to ensuring fair and equitable distribution of the funds available between each employee submitting an education plan. Requests received after May 1st may be considered to the extent funding is available. In the event an employee is approved and funding is authorized through the budget process, but the employee does not end up taking the classes according to the submitted plan (or is not enrolled by December 1st for classes in the remaining half of the fiscal year, those funds will be available for use by other employees who may submit a half year education plan by December 1st.)
ARTICLE XIII

MISCELLANEOUS

The City and PASEA recognize and agree to be bound by the notice requirements of Government Code Section 3504.5 and Article XII of Resolution Number 1303, Series 1973, (Employer-Employee Relations Resolution) regarding notification concerning proposed actions directly relating to matters within the scope of representation.

The City agrees to duplicate the full and complete text of this Memorandum of Understanding and all exhibits thereto and to make copies available to all employees covered by this Memorandum upon request at no cost to PASEA or to any employee, within thirty (30) days after ratification of this agreement.

A. ALTERNATIVES TO EMPLOYEE LAYOFFS

The City agrees to notify PASEA prior to implementing an employee layoff which would impact PASEA represented employees. PASEA may then request meetings to explore implementation of layoffs and to present alternative cost savings measures which would eliminate or minimize the need to layoff employees. Such alternatives shall include, but not be limited to, voluntary reduced work time, retraining, job sharing, early retirement, unpaid leaves of absences, furloughs, attrition, and revenue increases. Nothing in this section shall prohibit the City from laying off employees pursuant to the City’s layoff procedure.

B. NOTIFICATION OF NEW JOB CLASSIFICATIONS

The City agrees to notify PASEA of the creation of any new job classifications and its unit designation. The City shall assign new or revised classes to bargaining units pursuant to criteria set forth in the City's Employee Relations Policy.

C. MILEAGE REIMBURSEMENT

All mileage reimbursements will be reimbursed in accordance with IRS rates as adopted by City policy.

D. AB 119 COMPLIANCE

This provision applies to all new employees hired into Association bargaining unit positions and is intended to comply with the provisions of AB119.

1. The City will provide the Association with not less than ten (10) calendar days' advance written notice of the time, date and location of all new employee orientation meetings, unless an urgent and unforeseeable need for a new employee orientation meeting precludes the City from providing the Association with ten (10)
calendar days’ advance notice. The advance notice will include the number of Association bargaining unit employees attending the orientation meetings. The City will make reasonable effort to comply with the 10-day advanced notice, however, in the event that a candidate completes the pre-employment process and is then scheduled to begin work sooner than 10 days from being cleared to start, notice will be provided as soon as reasonably possible.
