My name is Greg Sparks and I have lived at 233 Faro Ave., Davis, CA since 1995.

I want to encourage the Planning Commission to include as an appendix, the draft Housing Trust Fund, as developed by the Social Services Commission, in the final version of the Housing Element. This level of detail needs to be included as a reference in the programs of the Housing Element.

The draft Housing Trust Fund recommends an allocation process for programs to address the housing needs of three groups—the unhoused, renters and buyers—and identifies revenue sources for growing the funds available for these programs.
