Subject: Housing Trust Fund

CAUTION: External email. Please verify sender before opening attachments or clicking on links.

As a resident of Davis I have great concerns about the lack of affordable housing in Davis. I recently learned about the draft Housing Trust Fund that was submitted by the Housing Element Committee. I strongly urge the City Council to approve the draft Housing Trust Fund as part of the Housing Element of the Davis General Plan.

The draft Housing Trust Fund recommends an allocation process for programs to address the housing needs of three groups--the un-housed, renters and buyers--and identifies revenue sources for growing the funds available for these programs.

At the city of Davis reviews the Housing Element that is part of the Davis General Plan, it is extremely important that Davis make substantial progress in housing. Inadequate housing leads to unemployment, illness and other costs for individuals, families and for the entire community.

Thank you for you time and attention to this matter,
