Subject: Please address HEC irregularities

CAUTION: External email. Please verify sender before opening attachments or clicking on links.

I support the recommended changes to Housing Element Council membership and conflict of interest disclosure outlined in this article: <https://www.davisite.org/2021/06/what-the-hec-is-going-on-part-iii.html>

I urge all City Council Members to do the same to sustain true representation of your constituents, not local real estate developers.
