I lived in Davis for 60 years until I couldn't stand the community any longer. The city supports the high cost of housing through their no growth policies. Why do you think the Spring Lake subdivision in Woodland is called "Wavis, or North North Davis? It's populated by former Davis residents that could not or would not pay the ridiculous prices for homes in Davis. I miss the old Davis that was governed reasonably in the 50's and 60's. Before it became the Peoples Republic. Good luck with what you've created. Sincerely, Dan Walker
