Dear Ms. Lynch,

I urge the City Council and the City to exercise caution in proceeding with this process. The idea of affordable housing is commendable, but still may be out of reach of many people, as costs of construction, permitting, Etc. are continuing to escalate.

I'm also very concerned about the idea of exempting Mace Curve and Wildhorse Ranch from Measures J/R/D. This should not be allowed to happen.

Yours truly,
Valerie Durbin
