PLANNING COMMISSION WORKSHOP: On Wednesday, February 26, 2020, starting at 7:00 PM the City of Davis Planning Commission will conduct a workshop to hear a presentation on the Aggie Research Campus project and to take comments from the general public. This workshop will be held at the Davis City Hall Community Chambers, 23 Russell Blvd., Davis, CA 95616.

The workshop format will include a brief introductory presentation by staff, a detailed presentation of the proposed project by the applicant, an opportunity for the Planning Commission to comment and an opportunity for public comment. Members of the public may provide written or oral comments at the meeting. NO DECISIONS WILL BE MADE REGARDING THE PROPOSED PROJECT AT THIS MEETING. THIS WORKSHOP IS INFORMATIONAL ONLY.

If you have any questions regarding this workshop, please contact Sherri Metzker at smetzker@cityofdavis.org. Additional information on the project proposal is available through the Department of Community Development and Sustainability, Planning Division, 23 Russell Boulevard, Davis, California, 95616, and is posted at the following City web address:

Project Title: Aggie Research Center Project

CITY OF DAVIS
**PROJECT LOCATION AND EXISTING USES:**
The proposed 185 acre project site is located immediately east of the City of Davis city limits, near the “Mace Curve”, in Yolo County, approximately 2.5 miles east of downtown Davis (Assessor’s Parcel Numbers (APNs) 033-630-006, -009, -011, and -012; 033-650-009, and -026). The project consists of the proposed ±212-acre Aggie Research Campus (ARC) site, and a separate ±16-acre area, south of CR 32A, which has been included within the bounds of the project site for annexation purposes only. The 16 acres contain Ikeda’s Market (APN 033-630-011), a City-owned water tank and Caltrans District 3 Park-and-Ride lot (APN 033-630-006), and agricultural uses (APN 033-630-012).

The Aggie Research Campus application proposes 2,654,000 square feet of innovation center/business uses and 850 residential units of varied sizes and affordability:
