

CANDIDATE STATEMENT

LUIS RIOS

Age: 47

Occupation: State Government Fiduciary Officer

Born in Davis, at the Davis Community Hospital, and raised in a humble household, I learned to value work. I earned a Bachelor's from UC Davis and a Ph.D. from Columbia University. As a parent of a preschool-age daughter and a public school-age son, Davis is our home. I serve on the City of Davis Personnel Board and a school site council. I volunteer with Davis Boy Scouts and my daughter's preschool.

In state government, my role is to ensure quality services to local agencies. I hold responsibility as a fiduciary officer. I oversee large contracts, approve budget adjustments and expenditures. My duties include agreement evaluations, interfacing with legal counsel, and agencies to ensure transparency, and fiscal soundness. With my leadership experience in stakeholder policy committees, consensus building, workforce development, and funding applications, I am highly-prepared to serve responsibly the Davis community as a member of the Davis City Council.

With your vote, I will:

- Ensure funding for safety in the community and schools
- Support the vitality of the Downtown Davis Area
- Support fiscal accountability and efficient budget plans
- Support smart growth for housing for all residents

With your vote, I will serve you honorably.
