2nd Friday ArtAbout

Downtown Davis & Beyond

2nd Friday ArtAbout is a fun evening of art receptions at businesses and galleries located in Downtown Davis and beyond. Events occur every 2nd Friday from 6-9 PM year-round, are free and open to the public. Many venues include refreshments, music, and an opportunity to meet artists.

Part of the beauty and fun of the ArtAbout evenings is witnessing the transformation of local businesses into instant art galleries. The arts play an integral role in the eclectic vibrancy of Downtown Davis, in particular, and the businesses embrace the opportunity to join with the galleries in showcasing the works of local and regional artists who capture the spirit, imagination and ingenuity that Davis embodies.

During the summer months, the Downtown Davis Friday Night Concert Series coincides with 2nd Friday ArtAbout, and provides free performances by local musicians. Concerts are held in E Street Plaza from 7 - 9 PM.

For more up-to-date information regarding the 2nd Friday ArtAbout, including current venues, please visit www.davisdowntown.com.
