Dear Friends:

Little did I realize when we created the first Davis Children's Nutcracker in 1977 that it would evolve into the legendary show it is today. The cast this year numbers 235 children between the ages of 6 and 12 years old. Producing it requires over 40 staff members and dozens of volunteers. Over 1,600 people will see the show live this year and untold thousands will watch it on cable television.

The original vision however still remains to provide an enjoyable and memorable theatre experience for children to share with their families and friends. We thank you for being part of this very special holiday presentation, and wish you the very best during the new year.
