COED MUNICIPAL SOFTBALL LEAGUES: Rules and Regulations

RULES AND REGULATIONS

1. **League Participants**

1-1 All players participating in any City organized league game must be registered on the appropriate team roster prior to that player’s first game. All information must be filled out for a roster to be valid. If a player is caught playing without signing a roster, that player will be suspended from all City of Davis softball leagues for a minimum of four (4) weeks. The team’s manager will also be suspended for one (1) full week from all City of Davis softball.

1-2 After the start of league play new players may be added to team rosters. The new player must submit a signed roster form to a Community Services Department employee (at the CS office or to a scorekeeper at the field) prior to or on the day he/she desires to play. Roster forms are available from scorekeepers at all fields or from the CS office.

1-3 **A player shall be eligible to play on only ONE Coed team. The League Director has the authority to ban player(s) from certain leagues if that player is deemed inappropriate for that level of play.** An individual player who wishes to change teams may do so if he/she sits out one (1) week from the league and then signs the new team’s roster prior to playing with that team the following week. Players must be released from their old manager in writing before playing for their new team. Any player found to be playing on more than one (1) team per night or in a league they have been banned from will be suspended for a minimum of two (2) weeks from all City of Davis league play and placed on probation for the remainder of the season or for a minimum of four (4) weeks. The manager of the team that the player played on illegally will also be suspended for one (1) week and the game will be forfeited.

1-4 Any player using false information in order to play will be suspended from all league play for the remainder of the season or a minimum of four (4) weeks. In addition, the team whose roster he/she appears on will forfeit priority sign up privileges for the next league season. Any player found playing after being suspended will be suspended for one (1) calendar year from the date of the infraction.

1-5 **Player Restrictions:** The League Coordinators reserve the right to remove any player from any league at any time if they feel that player is inappropriate for any league.

1-6 Players must be at least sixteen (16) years of age to participate in the Coed Softball Leagues.

1-7 For safety and legal reasons, no persons other than registered players, manager, coaches or officials, will be allowed on the playing field or in the dugouts during any game. All
batboys and batgirls under the age of 16 MUST wear a helmet when on the field. Also, umpires may require animals or bicycles to be removed from the dugouts if necessary.

1-8 Parking in Community Park is prohibited. Violators will be cited.

1-9 No player shall bat a ball against any fencing at any field. Violators are subject to a warning and then possible suspension and/or written citations.

1-10 Alcohol is permitted in most City of Davis parks, however, players may NOT consume alcohol while playing. Open alcoholic beverage containers are not allowed within 20 feet of any dugout. Any player who drinks alcohol during a game will be ejected and is subject to suspension. The manager of that player’s team will also be ejected and subject to suspension. His/her place in the line up will be called an out unless the team has a legal substitute. Any umpire on site, the Sports Coordinator and/or the Sports Coordinator’s appointee may eject any player/manager from any game if that player is caught drinking alcohol during their game.

1-11 Tobacco products of any kind (cigarettes, cigars, pipes, chewing tobacco, etc.) are not allowed on the field or in the dugouts at any time. Violators will be asked to leave the playing field/dugout. A second violation will result in an ejection from the game.

1-12 Dugout gates at Playfields must be closed at all times. If a gate is left open and a live ball goes into a dugout, the team in that dugout will be penalized. A dead ball will be called and if the offending team is on defense, all runners will be awarded one (1) base; if the offending team is on offense, no runners will advance and the runner closest to home will be called out.

1-13 Only one (1) on deck batter may be on the field of play at any time. Keep all players other than the on deck batter and the base coach in the dugout.

2. **Team League Organization**

2-1 Each team shall consist of five (5) men and five (5) women players. **A minimum of (4) women and (4) men is needed to start and continue a game.** If a team has the minimum four (4) men, an unlimited number of women may play. There must be an equal number or more women than men playing at all times. **Teams may NEVER play with more men than women.**

2-2 Teams may bat an unlimited number of batters but may only have ten (10) players in the field (see rule 2-3 for batting order rules). Extra batters must be listed on the official line up and be given to the scorekeeper before the start of the game. The batting order is then set and may not be rearranged except for legal substitutions. All players who play
defense must bat.

2-3 Batting order will alternate between men and women; the only exception being when a team has only nine players or more women than men. In such cases the batting orders will be the following:

2-3a. If a team has more men than women, the men must be substituted. For example, if a team has six men and only 5 women, men #1-5 play the first three innings then man #6 substitutes for man #1 for the remainder of the game. Man #6 must bat in man #1’s place in the order. Man #1 is now out of the game and may not substitute for any other man (unless he goes back in the game for man #6). **All six men may NOT be in the batting order at the same time.**

2-3b. If a woman gets injured or leaves a game, a man must also leave the game (unless the team has a legal female substitute). The man that leaves must be the male batter who bats either before or after the woman who leaves. **NO EXCEPTIONS!** If the woman who leaves is batting between two other women, there is no penalty and the two remaining women may bat back-to-back. A team may **never** bat men back-to-back.

2-4 Coed defensive positioning shall include two males and two females in the outfield, two males and two females in the infield, and one male and one female in the pitcher-catcher positions. Teams may **never** have two men or two women in the pitcher-catcher positions. If there are any other combination of players (4 men/6 women, 4 men/5 women or 4 men/4 women), one male and one female must be in the pitcher-catcher positions, at least one male and one female must be in the infield, and at least one male and one female must be in the outfield. Players of the same sex may play next to each other within the separate units mentioned above.

2-5 Game clock will begin after the umpire announces "Play ball". If either team has less than eight (8) players at the scheduled game time, a five (5) minute grace period will be allotted but the following penalties will be assessed: The team with the legal number of players will be awarded four (4) runs; the game clock will continue to run. If the eighth player does not arrive within the 5-minute grace period, the game will be declared a **forfeit.**

2-6 Each team manager shall notify the official scorekeeper ten (10) minutes prior to game time and give the name and batting order of players who will be participating in the game that evening. Any team that is late turning in their line-up will be assessed a two (2) run penalty. Infield practice will be permitted only if there is sufficient time before the scheduled starting of the game and **only** if the batting order has been submitted to the
COED MUNICIPAL SOFTBALL LEAGUES: Rules and Regulations

scorekeeper.

2-8  In each league game, one team will be declared the home team and one team will be declared the visiting team. The visiting team is the team listed first (in the left-hand column) and the home team is the team listed second (in the right-hand column).

2-7  All outfielders must remain behind the painted 165-foot outfield restraining line while the women on the opposing team bat. The line may be crossed by the outfielders as soon as the hitter makes contact with the ball. All infielders must play on the dirt of the infield when a female is at bat.

3.  **Guidelines**

3-1  Rules governing contact in coed games:

3-1a.  Base runners are allowed to slide at all bases in all coed leagues. EXCEPTION: A commit line will be used at home in all Coed Leagues (please see below, rule 7-7 for explanation). In all cases male players are expected to avoid excessive contact with female opponents.

3-1b.  If contact occurs the male will always be assumed to be at fault. The umpire will rule the play against the male and in favor of the female. Repetition of contact or flagrant offenses will be grounds for removing the offenders from the game.

   **The only exceptions will be:**

   1.  If the contact is very minor and inconsequential it will be disregarded.

   2.  If a female attempts to abuse this rule by intentionally causing the contact the rule will not be enforced.

4.  **Protests**

4-1  Protests that arise during the game based on rule interpretation shall be announced by the manager of the protesting team to the umpire immediately and before the next pitch is made. The umpire shall in turn notify the opposing manager and official scorekeeper. The protesting manager shall submit a formal written protest to the Community Services Office during the first working day following the protested game. A $25.00 protest fee must accompany the written protest, which will be refunded if the protest is upheld. This written protest shall include:

4-1a.  The date, time, place of game, and names of the teams involved.
COED MUNICIPAL SOFTBALL LEAGUES: Rules and Regulations

4-1b. Names of umpires and scorekeeper.

4-1c. A description of the rules and procedures involved.

4-1d. All essential facts involved in the matter of protest.

4-2 Protest based on an umpire's judgment in calling play will not be accepted.

4-3 Protest based on the misinterpretation or misapplication of playing rule or on the eligibility of any player will be reviewed and ruled upon by the CS staff in charge of Athletic Leagues.

4-4 When a protest based on interpretation or application of a rule is upheld, the game shall be replayed from the point of the protest with the decision corrected only if the outcome would affect the league championship.

4-5 Protest over illegal players:

4-5a. If the player is in the starting lineup or enters the game either on the field or at bat, he/she must be protested before the end of the game. The protesting manager shall notify the umpire and the scorekeeper of his/her protest and must submit all appropriate paperwork (see rule 4-1) along with the $25.00 protest fee during the first working day following the protested game.

4-6 When a protest based on the use of an ineligible/illegal player is upheld, the game shall be forfeited to the protesting team. Appropriate action will be taken against the ineligible/illegal player.

5. Appeals

5-1 The following decisions may be appealed:

5-1a. The placement of a team in a league (e.g. the league the team is placed in and the make-up of the team.)
5-1b. The prohibition of a player on a team.
5-1c. The suspension of a player.

Any team or player is eligible to appeal. A written appeal and a $25.00 fee (per appeal) must be submitted within 7 calendar days of being notified of the decision. The fee will be refunded if the appeal is approved. The appeal will be brought before the Dispute Resolution Board (a local board made up of one umpire and two team managers). In very rare instances, the appeal may be brought before the local USA Appeals Board. This is solely at the discretion of the Recreation
6. Equipment

6-1 All players must wear shoes and shirt or tank top in all league games. (No sandals)
6-2 No metal spikes or cleats will be allowed. Rubber or plastic cleats are acceptable.
6-3 For safety and injury prevention, no jewelry such as watches, bracelets, earrings, or necklaces may be worn by any player.
6-4 No electronic equipment including cell phones pagers, radios, etc. is allowed to be worn or carried on the playing field by any player, umpire, base coach, etc.
6-5 Any player, coach or umpire who is bleeding or who has blood on his/her uniform shall be prohibited from participating further in the game until appropriate treatment can be administered (i.e., bandage/cover the wound or remove/change the bloodied clothing)
6-6 All bats must be ASA/USA approved (all bats must have the ASA/USA stamp). All bats MUST be single-wall, one piece aluminum (some high-performance single-wall alloy bats may also be banned). **All bats must be approved by the League Coordinator prior to use in league.** Approved bats will be marked with a City of Davis bat approval sticker. Any bat without a sticker will not be allowed and will be treated as an illegal bat. The League Coordinator reserves the right to outlaw additional bats at any time.
6-7 Any player caught using an illegal bat will be immediately ejected. Any player using an illegal bat a second time, any time during the season, will be ejected from that game and be suspended for a minimum of four additional games. Umpires may remove a bat from a game, even if it is not on the list, if they feel the bat is inappropriate for that league.

7. Local Game Rules

7-1 All games will be seven (7) innings in length or no new inning shall be started fifty-five (55) minutes after the official start of the game unless there is a tie game. A new inning officially starts when the third out is made in the bottom half of the previous inning.
7-2 All ties will be broken by a tiebreaker. The visiting team will place a runner (the last batter of the previous inning) at second base. One (1) out will be declared. The visiting team will continue to bat in the original batting order until the third out is made. The home team will then be put in the same situation (runner on second with one out). This process will be continued until the tie is broken. Each inning must be completed. A maximum of 2 extra innings will be played.
COED MUNICIPAL SOFTBALL LEAGUES: Rules and Regulations

7-3 One courtesy runner may be used, with the opposing manager's permission, per inning per team. For Coed teams, one male and one female runner may be used per inning. The runner may be any player in the lineup (man for man and woman for woman). If a courtesy runner is on base when his/her place in the batting order comes up, his/her place in the line-up will be called out. Once a courtesy runner is used by a player, that player must use a courtesy runner each time he/she gets on base. If a courtesy runner has already been used in an inning and a player gets on base that used a courtesy runner earlier in the game, that player will be called out once they make it safely on base.

7-4 A legally pitched ball must reach a height of 6 feet and not more than 12 feet from the ground.

7-5 Pitchers are allowed 5 warm-up pitches before the start of the game and 3 pitches between innings (time permitting). No overhand warm-up pitches will be allowed between the pitcher and anyone at the home plate area. No infield or outfield practice will be allowed after the first inning.

7-6 All batters will start with a one (1) ball - one (1) strike count. Batters are allowed one extra foul ball (i.e., if a batter fouls off what would have been the third strike, they have one more strike – the next batted ball must be fair). A mat will be used behind home plate to determine balls and strikes. A ball pitched with a legal arc and hits the mat is a called strike. A ball pitched with a legal arc and does not hit the mat or hits the home plate is a called a ball. A pitched ball that hits the mat and any part of the plate (except the black) is called a ball.

7-7 Sliding is allowed in all leagues and at all times. EXCEPTION: A commit line will be used between third base and home in all Coed Leagues. Once a base-runner crosses this line they must continue running home. The play now becomes a force at home. The base-runner may NOT step on the regular home plate but must use the “second home plate”. The catcher may NEVER try to tag a runner once they are past the commit line.

7-8 If a man walks, he is awarded first base only and the next woman batter is given the option to hit or take a walk. This rule applies regardless of the number of outs. The woman must decide before she gets in the batter's box. Once she is in the batter's box, she must take her turn at bat.

7-9 The mat is not an extension of the home plate. A base-runner must tag the “second home plate” on plays at home and when a run is scored.

7-10 In the event of rain or other field problems, a game will be considered official if five (5) full innings have been played (4½ innings if home team ahead); otherwise, the game will be replayed at a later date determined by the League Coordinator.

7-11 If the home team is batting and is ahead when the 55-minute time limit is reached, the
COED MUNICIPAL SOFTBALL LEAGUES: Rules and Regulations

game is called and the home team is declared the winner.

7-12 The 10-run rule will be enforced to end the game as follows: If, at any time after the 55-minute time limit, either team is ahead by 10 or more runs, the game will be called and the inning will not be completed.

7-13 If a team is playing with 8 players and is losing by 15 or more runs ANYTIME after three (3) full innings, the game will be called and the inning will not be completed.

7-14 Ground Rules: Community Field: All areas are live except the dugout areas. Balls hit into the trees in right field are live as well as any ball that is hit or thrown past either the left field line fence or the right field line fence.

7-15 Any vulgarity or language an umpire finds inappropriate shall warrant a one time, team warning. After the warning, any audible profanity shall be subject to immediate ejection. NOTE: An umpire may eject a player for profanity without a warning. Any post ejection demonstrations of profanity or other un-sportsmanlike conduct may result in game forfeiture, as well as player suspensions.

7-16 Homerun rules: NO over-the-fence home runs are allowed in any Coed league. All balls hit over the-fence will be declared an out.

7-17 The Worth Hot Dot 12" softball will be used in all Coed leagues for male batters. The Worth Hot Dot 11" softball will be used in all Coed leagues for woman batters.

7-18 All rules not covered here shall be governed by the current U.S.A. Rulebook.

7-19 Re-touch rule: For safety reasons, a baserunner at 3rd base or 1st base may stand in foul territory during a pitch. After a ball is hit in play, the baserunner must re-touch the base before advancing to the next base. This rule may only be used 3rd base when a right handed batter is up and at 1st base when a left handed batter is up.
