Transportation CIP Projects Status

Transportation CIP Updates as of 3/5/2020 (from Engineering Division)

I-80 / Richards Interchange (CIP 8730): Staff sent Caltrans a letter regarding design changes on February 16th. Staff met with Caltrans on February 28th. The Consultant will work on a cost estimate of the offramp lanes (2+1 HOV, and 1 + 1 HOV lane) which is a design modification requested by Caltrans. Caltrans anticipates contributing SHOPP funds towards the project.

Electrify Yolo Project (CIP 8341): No update this month.

Tulip / Ponteverde Multi-Use Path (CIP 8323): No update this month.

Pole Line Road / Olive Drive Connection / Montgomery WBAR Improvements (CIP 8313): Project staff and the communications team are scheduling a public outreach meeting in mid-March. The signed Contract docs have been returned from the Contractor and have been forwarded to the City Attorney and City Manager. The pre-construction meeting is scheduled for March 8th. We anticipate the notice to proceed for construction will be March 22nd. The tentative date for the public outreach meeting is March 18th. We have received the Water Pollution Control Plan as a submittal and Staff is reviewing it.

Fourteenth Street / Villanova Drive Improvements (CIP 8282): No update this month.

Bicycle / Pedestrian Wayfinding (CIP 8258): Sign fabrication is paused due to minor issues with the green bike loop sign dimension and bolt placement. Staff asked contractor to provide an estimate for re-fabricating signs. The Contractor has provided an estimate and staff is requesting a contingency increase from the City Manager. Once approved, the contractor will move forward with fabrication.

Mace Boulevard Improvements: Phase 2 (CIP 8257): No update this month.

East Covell Bicycle Path – North Side (CIP 8289): No update this month.
