3. Approval of the July 17, 2020 Minutes

Moved by Arnold, seconded by DiNunzio, Motion passed unanimously.

4. City/District Communications

Lee: City is on standby for assistance of fire evacuees. Staff is also providing assistance in the areas affected. City Council approved the University Commons mixed use project.

Bowes: The District has launched a Restart DJUSD webpage for families. A hard copy of the information was mailed to families in both English and Spanish. Video was shared on the Restart DJUSD information. District Office and school sites are now open Monday, Wednesday and Friday from 8:00 a.m. to 12:00 p.m. with protective measures in place for social distancing.

5. Discussion Items

Best: Consultants and LPA joint operations studies to move forward in three weeks with City and District. The District is analyzing any temporary housing for classrooms that need to be moved during the project to construct the aquatic center. Pool configuration and any other decisions regarding the project will be brought to the City in the next few weeks. Any final decisions that need to be made on whether to move forward are anticipated within 6 weeks.

a. Facilities and Construction Projects Updates

Abbanat: Provided an update on the Anderson Corridor Update. The City is working with DJUSD and the consulting team on grant opportunities to fund the project. The

District portion of the project is estimated at \$2-3 million dollars.

Abbanat provided an overview on the public outreach project. It was noted that there was not a large amount of input from the César Chávez community. Abbanat discussed the design concept for the project and how the District can assist with the process. Discussion of options occurred during the District Facilities Subcommittee Meeting.

DiNunzio asked how the District could help gather more input from the César Chávez Community. Abbanat indicated that there will be additional outreach to families in the next few weeks.

b. COVID-19 Updates

Bowes: DJUSD Restart website and purpose for shared information for families. The District is using the Yolo County Dashboard and any state updates as the guide to the steps to re-open. Staff has shared regular updates with families and the community as part of Board Presentations.

Stachowicz: The City Cooling Center will be open with social distancing protocols in place. Discussions are being had on other options for an open space that will allow for a larger center. COVID-19 testing will take place from August 25- September 5 at the Davis Senior Center. Information has been posted to the City website. The City is also coordinating with UCD on COVID-19 precautions with the return of students to campus and Davis.

c. Summer Activities and Planning

The City provided project updates on bike baths and pavement rehabilitations over the summer and other projects that will begin soon.
