DATE: February 20, 2018

TO: City Council

FROM: Dianna Jensen, City Engineer
Brian Abbanat, Senior Transportation Planner

SUBJECT: Approve Consultant Services Agreement with Nelson/Nygaard for Downtown Paid Parking, CIP No. 8252

Recommendation

1. Approve a Consultant Services Agreement with Nelson/Nygaard for Professional Consulting Services for Downtown Paid Parking; and
2. Approve the attached Resolution authorizing the City Manager to sign the Consultant Services Agreement; and
3. Approve the attached Budget Adjustment.

Fiscal Impact

The cost of this phase will not exceed \$165,000. The estimated cost for the design phase follows:

| Purpose | Amount | Funding Source |
|--------------------------|------------------|---------------------------------|
| Consulting Services | \$145,000 | Fund 209 (Parking Revenue Fund) |
| Staff Project Management | \$20,000 | |
| Total | \$165,000 | |

This amount reflects Nelson/Nygaard consulting fee at \$139,977, \$5,023 in contingency costs for unforeseen scope of work needs, and \$20,000 in anticipated staff project management costs. Downtown Parking Revenue Funds (Fund 209) are available for this effort.

Prior parking allocations for Downtown parking have been for Staff time, construction of the Richards/Olive parking lot, and Downtown parking guidance system. No prior allocations have occurred for paid parking specifically, as City Council recently finalized a preferred course of action in November, 2017. This request launches the first phase (Design) and the remainder for construction will be proposed in the FY 2018/19 budget.

Council Goals

This project supports the Council Goal 4, Objective 1, Task A to support increased parking availability by implementing City Council adopted Downtown Parking Task Force Recommendations.

Background and Analysis

In November 2017, City Council took action to:

1. Approve Proposed Revisions for expansion of Downtown paid parking and revisions to time-restricted parking; and
2. Direct Staff to return to City Council with Ordinances, Resolutions, and Contracts implementing revisions.

Councilmembers also suggested exploration of “Affinity” or reward/validation programs, emphasizing convenience for visitors, utilizing a tiered and flexible pricing structure, and deploying meter technology that best accomplishes these objectives.

While City Council focused on “big picture” paid parking policy priorities such as geography and time restricted parking, several important second-tier policy issues require additional analysis to resolve. Thus, a final implementation planning phase guided by consultant expertise is needed for fully informed decision making to prior deploying paid parking in the field. Upon completion of this implementation planning phase, Staff anticipates bringing final recommendations on the below topics to City Council for a smooth transition toward paid parking in the downtown southeast quadrant.

1. Policy Recommendations:
 - Peer review of 11/7/18 City Council paid parking action
 - Paid parking technology
 - Pricing structure
 - Administrative and enforcement staffing
 - Municipal Code revisions
 - Cost/revenue analysis
2. Project Design
 - Striping and compliance with Americans with Disabilities Act
 - Equipment
3. Community Outreach
 - Davis Downtown Parking Committee meetings
 - Community Outreach Plan

Justification for Selection

Ordinarily, City Staff would need to coordinate this work across three departments: Public Works, Police, and Finance. However, due to organizational bandwidth and time required to complete this analysis in-house, Staff proposes using consulting assistance to save time while benefitting from their expertise in this area.

When consulting assistance is needed, Requests for Proposals (RFPs) are commonly used. However, in this circumstance, Staff proposes an agreement with Nelson/Nygaard (N/N), who is currently a sub-consultant for the Core Area Specific Plan (CASP) update. N/N is preferred to coordinate implementation of paid parking with the development of land use and parking policies for the CASP update. Additionally, N/N has developed a unique understanding of local parking conditions as a result of their extensive work on the CASP to date, including using their downtown parking model to help inform this analysis. Finally, substantial project time and Staff resources will be saved through this selection method.

Fiscal Background

Over the past four years, several paid parking cost estimates have been provided to City Council, which have been largely dependent on geography, meter technology, and other factors. For capital project planning purposes, the below table provides the most current upfront capital cost assumptions Staff can provide based on the November 2017 City Council action, assuming on-street single-space meters and off-street multi-space meters. N/N will conduct a more detailed cost/revenue analysis as part of this effort, likely resulting in revisions to these figures.

| Category | Cost Item | Cost | Source | Notes |
|--------------|---|------------------|--|---|
| | <i>Implementation Planning & Engineering (consultant)</i> | \$145,000 | <i>Parking Revenue (209)</i> | <i>Consultant assistance & staff time, subject of staff report.</i> |
| | <i>Implementation Planning & Engineering (staff time)</i> | \$20,000 | | |
| Construction | Single-Space Meters | \$464,000 | <i>Any combination of General Fund, Gas Tax, Parking Revenue, and/or Road Impact Fees (in FY 18/19 Budget)</i> | Approximately 371 meters @ approximately \$1,250 each, installed. |
| | Multi-Space Meters | \$63,000 | | Approximately 5 meters @ approximately \$12,500 each. |
| | ADA Improvements/Restriping | \$75,000 | | Allowance |
| | Construction Contingency | \$60,000 | | Formula @ 10% |
| Other Costs | Municipal Arts Fund | \$6,000 | | Formula @ 1% |
| | Construction Administration and Inspection | \$48,000 | | Formula @ 6% |
| Total | | \$881,000 | | |

With this Budget Adjustment, staff requests \$165,000 for the Implementation Planning & Engineering phase. Staff will return to City Council with a budget adjustment for construction costs or integrate costs into the FY 2018/19 budgeting process.

Schedule

Staff anticipates this phase to be completed within 4-5 months, paid parking implementation sometime near the end of summer or early fall.

5. SUSPENSION AND TERMINATION.

5.1. Suspension. The City may suspend this Agreement and Consultant's performance of the Services, wholly or in part, for such period as it deems necessary due to unfavorable conditions or to the failure on the part of Consultant to perform any provision of this Agreement. Consultant will be paid for satisfactory services performed through the date of temporary suspension. In the event that Consultant's services hereunder are delayed for a period in excess of six (6) months due to causes beyond Consultant's reasonable control, Consultant's compensation shall be subject to renegotiation.

5.2. Termination for Cause.

5.2.1. If Consultant at any time refuses or neglects to prosecute its services in a timely fashion or in accordance with the Schedule of Services, or is adjudicated a bankrupt, or commits any act of insolvency, or makes an assignment for the benefit of creditors without the City's consent, or fails to make prompt payment to persons furnishing labor, equipment, materials or services, or fails in any respect to properly and diligently prosecute its services, or otherwise fails to perform fully any and all of the agreements herein contained, Consultant shall be in default.

5.2.2. If Consultant fails to cure the default within seven (7) days after written notice thereof, the City may, at its sole option, take possession of any Documents & Data (as defined in Section 6.1) or other materials (in paper and electronic form) prepared or used by Consultant in connection with the Project and (1) provide any such work, labor, materials or services as may be necessary to overcome the default and deduct the cost thereof from any money then due or thereafter to become due to Consultant under this Agreement; or (2) terminate Consultant's right to proceed with this Agreement.

5.2.3. In the event the City elects to terminate, the City shall have the right to immediate possession of all Documents & Data and work in progress prepared by Consultant, whether located at the Project, at Consultant's place of business, at the offices of a subconsultant, or elsewhere and may employ any other person or persons to finish the Services and provide the materials therefor. In case of such default termination, Consultant shall not be entitled to receive any further payment under this Agreement until the Project is completely finished. At that time, if the expenses incurred by the City in obtaining the Services for the Project exceed such unpaid balance, then Consultant shall promptly pay to the City the amount by which such expense exceeds the unpaid balance of the not-to-exceed amount reflected in Section 4.1. The expense referred to in the previous sentence shall include expenses incurred by the City in causing the Services called for under this Agreement to be provided by others, for attorneys' fees, and for any costs or damages sustained by the City by reason of Consultant's default or defective work.

5.3. Termination for Convenience.

5.3.1. In addition to the foregoing right to terminate for default, the City reserves the

absolute right to terminate this Agreement without cause, upon 72-hours' written notice to Consultant. In the event of termination without cause, Consultant shall be entitled to payment in an amount not to exceed the not-to-exceed amount set forth in Section 4.1 which shall be calculated as follows: (1) payment for Services then satisfactorily completed and accepted by the City, plus (2) payment for Extra Work approved by the City Manager, satisfactorily completed by Consultant and accepted by the City, plus (3) reimbursable expenses actually incurred by Consultant, as provided for in Exhibit D and approved by the City. The amount of any payment made to Consultant prior to the date of termination of this Agreement shall be deducted from the amounts described in (1), (2), and (3) above. Consultant shall not be entitled to any claim or lien against the City or the Project for any additional compensation or damages in the event of such termination and payment. In addition, the City's right to withhold funds under Section 4.3 shall be applicable in the event of a termination for convenience.

5.3.2. If this Agreement is terminated by the City for default and it is later determined that the default termination was wrongful, such termination automatically shall be converted to and treated as a termination for convenience under this Section and Consultant shall be entitled to receive only the amounts payable hereunder in the event of a termination for convenience.

6. OWNERSHIP OF MATERIALS AND CONFIDENTIALITY.

6.1. Documents and Data; Licensing of Intellectual Property. This Agreement creates a fully paid up, exclusive and perpetual license for the City to copy, use, modify, reuse, or sublicense any and all copyrights, designs, and other intellectual property embodied in or arising from plans, specifications, studies, drawings, estimates, and other documents or works of authorship fixed in any tangible medium of expression, including but not limited to, physical drawings, designs, graphic representations and data, which are prepared or caused to be prepared by Consultant under this Agreement ("Documents & Data"). All Documents & Data shall be and remain the property of the City, and shall not be used in whole or in substantial part by Consultant on other projects without the City's express written permission. Within thirty (30) days following the completion, suspension, abandonment or termination of this Agreement, or at any time upon five (5) days written notice, Consultant shall provide to the City reproducible copies of all Documents & Data, in a form and quantity requested by the City. The City reserves the right to select the method of document

reproduction and to establish where the reproduction will be accomplished. The reproduction expense shall be borne by the City at the actual cost of duplication. In the event of a dispute regarding the amount of compensation to which the Consultant is entitled under the termination provisions of this Agreement, Consultant shall provide all Documents & Data to the City upon payment of the undisputed amount. Consultant shall have no right to retain or fail to provide to the City any such documents pending resolution of the dispute. In addition, Consultant shall retain copies of all Documents & Data on file for a minimum of four (4) years following completion of the Project or termination of this Agreement, whichever is earlier, and shall make copies available to the City upon the payment of actual reasonable duplication costs. Before destroying the Documents & Data following this retention period, Consultant shall make a reasonable effort to notify the City and provide the City with the opportunity to obtain the documents.

6.2. Subconsultants. Consultant shall require all subconsultants to agree in writing that the City is granted a fully paid, non-exclusive and perpetual license for any Documents & Data the subconsultant prepares under this Agreement. Consultant represents and warrants that Consultant has the legal right to license any and all Documents & Data prepared by Consultant or its subconsultants. Consultant makes no such representation and warranty in regard to Documents & Data which were prepared by design professionals other than Consultant or its subconsultants, or those provided to Consultant by the City.

6.3. Right to Use. The City shall not be limited in any way in its use or reuse of the Documents & Data or any part of them at any time for purposes of this Project or another project, provided that any such use not within the purposes intended by this Agreement or on a project other than this Project without employing the services of Consultant shall be at the City's sole risk. If the City uses or reuses the Documents & Data on any project other than this Project, it shall remove the Consultant's seal (if applicable) from the Documents & Data and indemnify and hold harmless Consultant and its officers, directors, agents and employees from claims arising out of the negligent use or re-use of the Documents & Data on such other project. Consultant shall be responsible and liable for its Documents & Data, pursuant to the terms of this Agreement, only with respect to the condition of the Documents & Data at the time they are provided to the City upon completion, suspension, abandonment or termination. Consultant shall not be responsible or liable for any revisions to the Documents & Data made by any party other than Consultant, a party for whom the Consultant is

legally responsible or liable, or anyone approved by the Consultant.

6.4. Indemnification. Consultant shall defend, indemnify and hold the City, its directors, officials, officers, employees, volunteers and agents free and harmless, pursuant to the indemnification provisions of this Agreement and in accordance with the language of Section 7.2, for any alleged infringement of any patent, copyright, trade secret, trade name, trademark, or any other proprietary right of any person or entity in consequence of the use on the Project by the City of the Documents & Data, including any method, process, product, or concept specified or depicted.

6.5. Confidentiality. All Documents & Data, either created by or provided to Consultant in connection with the performance of this Agreement, shall be held confidential by Consultant. All Documents & Data shall not, without the prior written consent of the City, be used or reproduced by Consultant for any purposes other than the performance of the Services. Consultant shall not disclose, cause or facilitate the disclosure of the Documents & Data to any person or entity not connected with the performance of the Services or the Project. Nothing furnished to Consultant that is otherwise known to Consultant or is generally known, or has become known, to the related industry shall be deemed confidential. Consultant shall not use the City's name or insignia, photographs of the Project, or any publicity pertaining to the Services or the Project in any magazine, trade paper, newspaper, television or radio production or other similar medium without the prior written consent of the City.

7. OTHER PROVISIONS.

7.1. Assignment; Successors. Consultant shall not assign any of its rights nor transfer any of its obligations under this Agreement without the prior written consent of the City. Any attempt to so assign or so transfer without such consent shall be void and without legal effect and shall constitute grounds for termination. All representations, covenants and warranties set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

7.2. Indemnification.

7.2.1. Scope of Indemnity. To the fullest extent permitted by law (including, without limitation, California Civil Code Sections 2782 and 2782.8), Consultant shall defend (with legal

counsel reasonably acceptable to the City) indemnify and hold harmless the City and its officers, departments, officials, representatives, and employees (collectively “Indemnitees”) from and against any and all claims, loss, cost, damage, injury (including, without limitation, injury to or death of an employee of Consultant or its subconsultants), expense and liability of every kind, nature and description (including, without limitation, fines, penalties, court costs, attorneys fees, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith, and costs of investigation), that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Consultant, any subconsultant, anyone directly or indirectly employed by them, or anyone that they control (collectively “Liabilities”) in connection with the Project. Such obligations to defend, hold harmless and to indemnify any Indemnitee shall not apply to the extent that such Liabilities are caused by the sole negligence, active negligence, or willful misconduct of such Indemnitee.

7.2.2. Termination or Completion of Agreement. Neither termination of this Agreement nor completion of the Services under this Agreement shall release Consultant from its obligations under this Section 7.2, as long as the event giving rise to the claim, loss, cost, damage, injury, expense or liability occurred prior to the effective date of any such termination or completion.

7.2.3. Additional Indemnity Agreements. Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth herein from each and every subconsultant or any other person or entity involved by, for, with or on behalf of Consultant in the performance of this Agreement. If Consultant fails to obtain such indemnity obligations from others as required, Consultant shall be fully responsible for all obligations under this Section 7.2. City’s failure to monitor compliance with this requirement imposes no additional obligations on City and will in no way act as a waiver of any rights hereunder.

7.2.4. Successors and Assigns. The obligation to indemnify and defend City as set forth herein is binding on the successors, assigns or heirs of Consultant and shall survive the termination of this Agreement or this Section.

7.2.5. Compliance with Insurance Requirements. Consultant’s compliance with the insurance requirements does not relieve Consultant from the obligations described in this Section 7.2, which shall apply whether or not such insurance policies are applicable to a claim or damages.

7.3. Consultant Not Agent. Except as the City may specify in writing, Consultant shall have no authority, express or implied, to act on behalf of the City in any capacity whatsoever as an agent. Consultant shall have no authority, express or implied, pursuant to this Agreement to bind the City to any obligation whatsoever.

7.4. Governing Law; Government Code Claim Compliance. This Agreement shall be governed by the laws of the State of California. Venue shall be in Yolo County. In addition to any and all contract requirements pertaining to notices of and requests for compensation or payment for extra work, disputed work, claims and/or changed conditions, Consultant must comply with the claim procedures set forth in Government Code sections 900 *et seq.* prior to filing any lawsuit against the City. Such Government Code claims and any subsequent lawsuit based upon the Government Code claims shall be limited to those matters that remain unresolved after all procedures pertaining to extra work, disputed work, claims, and/or changed conditions have been followed by Consultant. If no such Government Code claim is submitted, or if any prerequisite contractual requirements are not otherwise satisfied as specified herein, Consultant shall be barred from bringing and maintaining a valid lawsuit against the City.

7.10. Waiver. No waiver of any default shall constitute a waiver of any other default or breach, whether of the same or other covenant or condition. No waiver, benefit, privilege, or service voluntarily given or performed by a party shall give the other party any contractual rights by custom, estoppel or otherwise.

7.11. No Third Party Beneficiaries. There are no intended third party beneficiaries of any right or obligation assumed by the parties.

Consultant further agrees to file, or shall cause its employees or subconsultants to file, a Statement of Economic Interest with the City Clerk as required under state law in the performance of the Services. For breach or violation of this warranty, the City shall have the right to rescind this Agreement without liability. For the term of this Agreement, no member, officer or employee of the City, during the term of his or her service with the City, shall have any direct interest in this Agreement, or obtain any present or anticipated material benefit arising therefrom.

7.15. Cooperation; Further Acts. The parties shall fully cooperate with one another, and shall reasonably take any additional acts or sign any additional documents (subject to reasonable rates of compensation for any such acts) as may be necessary or appropriate to attain the purposes of this Agreement.

7.16. Attorneys' Fees. If either party commences an action against the other party, either legal, administrative or otherwise, arising out of or in connection with this Agreement, the prevailing party in such litigation shall be entitled to have and recover from the losing party reasonable attorneys' fees and all other costs of such action.

7.17. Authority to Enter Agreement. Consultant has all requisite power and authority to conduct its business and to execute, deliver, and perform this Agreement.
