

## **February 5, 2019 City Council Debrief:**

### Approved Consent Calendar items:

- Selection of Independent Police Auditor
- “Think Outside the Box” Public Art Commissions
- Proposition 68 Grants
- 2018-2020 Council Focus Items Update

### Regular Calendar items:

- Solid Waste Rate Proposition 218 Hearing and Rate Recommendations
  - Action: Approved establishing rates for solid waste service fees effective March 1, 2019 (alternative option A, with offset in 2020 to space out the first and second year planned increases).
- Solid Waste Program Yard Material Pile Collection Service Options
  - Action: Selected a yard material pile collection schedule for implementation: 11 pickups; 10 pickups every other week from mid to late October through February, and 1 additional spring pickup to be determined. Schedule to include enhanced street sweeping.
- Urgency Ordinance Requiring Design Review for New Construction of Larger Homes and Additions that Considerably Expand One and Two Family Dwellings
  - Action: Adopted Urgency Ordinance to require architectural and design review for the new construction of single-family dwellings, duplexes or two-family dwellings that are two or more stories; and for additions to single-family dwellings, duplexes or two-family dwellings of 40% or more in gross square footage.
