Union Pacific destruction of city / Caltrans property Location; Caltrans ROW/Old Lincoln Highway north of Interstate 80 between Olive Drive and Mace Boulevard

H. Steiner advised that Union Pacific cut trees and bushes at the above property. City Attorney and staff met with Union Pacific and it was decided at the meeting with Union Pacific not to take any further action except for the removal of debris already cut. The information on the right-of-way would be brought together to determine who's property it is. Since that time it appears that Union Pacific has continued to cut items. The bike path has been secured at this time. Staff has been in contact with Caltrans, since it is their property. Caltrans is also actively working through this issue. It is hopeful that the trees removed will be replaced by Union Pacific.

Adjournment The meeting was adjourned at 7:38 p.m.

Margaret Roberts, CMC
