Subject: Comment Letter –on Rulemaking Related to SB 1383 (Short-Lived Climate Pollutants: Organic Waste Methane Emissions Reductions)

Recommendation

Informational.

Background

On March 4, 2019, the City of Davis submitted a comment letter to the California Department of Resources Recycling and Recovery on the proposed CalRecycle regulations for the Senate Bill (SB) 1383 Short-Lived Climate Pollutants (SLCP): Organic Waste Methane Emissions Reductions. The letter was also forwarded to the League of California Cities, as they requested to receive all comment letters regarding SB 1383.

The Public Hearing to receive the public comments was on held March 12, 2019, beginning at 9:00am, in-person and via webcast.

More information on the rulemaking process, and the current proposed regulations can be found at: <https://www.calrecycle.ca.gov/laws/rulemaking/slcp>.

City staff is monitoring the process and will keep track of any changes as a result of this rulemaking process.
