Major Budget Highlights

Salaries & Benefits:

Includes personnel funding consistent with current Council member salary & benefits. The decline in cost from FY12-13 to 13-14 is primarily due to change in Council members and covered benefits. The City Council adopted a salary increase beginning July 1, 2104 for the incoming City Council members. This is the first increase for City Council compensation since April 2000.

Operations & Maintenance:

Council members are allocated funds to be used to cover expenses for City business. From FY 12-13 forward, this amount has increased as Council members strive to attend more local events and meet with community members. In addition over time, miscellaneous changes have fluctuated for the purchase of computer equipment, travel/training, and ceremonial events.

Interdepartmental Charges:

Interdepartmental Charges fluctuate from year-to-year based on the costs for services to provide building maintenance, computer services, liability insurance and telephone service.
