

# REDEVELOPMENT SUCCESSOR AGENCY

## STATEMENT OF PURPOSE

The successor agency to the City's former Redevelopment Agency (RDA) oversees the winding down of the RDA's obligations. The RDA was originally designed to help eliminate blight in the downtown Core, Olive Drive, and South Davis sub-areas through property acquisition, participation with property owners, construction of public improvements, and providing low- and moderate-income housing. Funding for redevelopment was derived from incremental property tax revenue and was used for redevelopment and revitalization of designated areas of the City of Davis like the downtown core area and Auto Mall. As of February 1, 2012, all redevelopment agencies in the State of California were dissolved following the California Supreme Court's ruling upholding of AB 26 and stating AB 27 was unconstitutional. Successor agencies were put in place to oversee required payments on existing bonds, other obligations and pass-through payments and to conclude the work of the RDAs.

### OPERATIONS - DIVISION 91

- Maintain Legal and Financial Records of the Redevelopment Agency Organization
- Ensure Agency Debts and Other Obligations are Paid
- Prepare Annual Audit and State Reports as Required by Law

**Major Highlights:**

As the Davis Redevelopment Successor Agency continues to complete final projects, the annual obligation for funding is also decreasing. The FY 14-15 budget will be a more typical expenditure into the future representing general administration, state audits and annual debt payments, as prior years included Redevelopment project work, which is now discontinued with the State dissolution of Redevelopment Agencies. At the present time, the RDA Successor Agency is still in communication with the State of California regarding Bond Funds which have yet to be approved for use.
