BUDGET HIGHLIGHTS

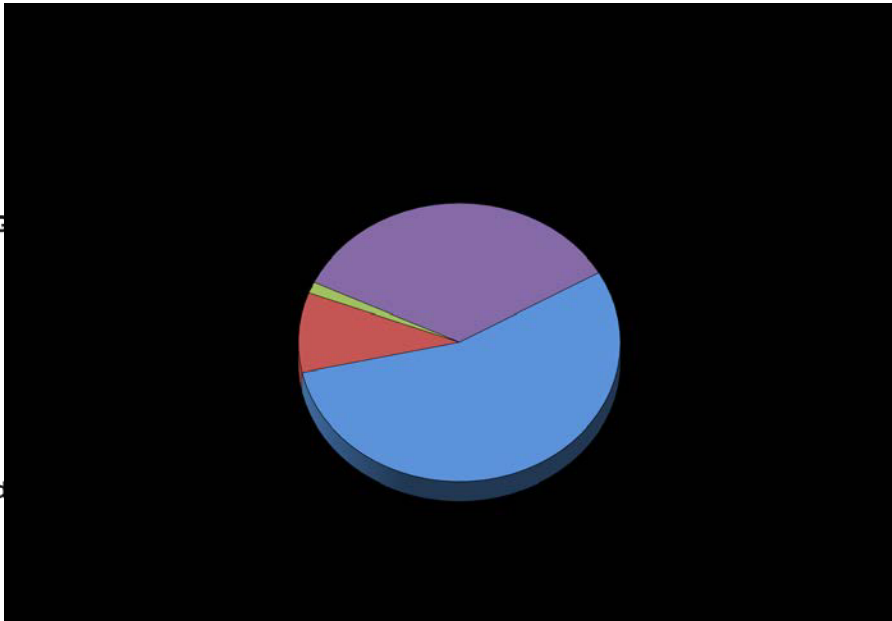

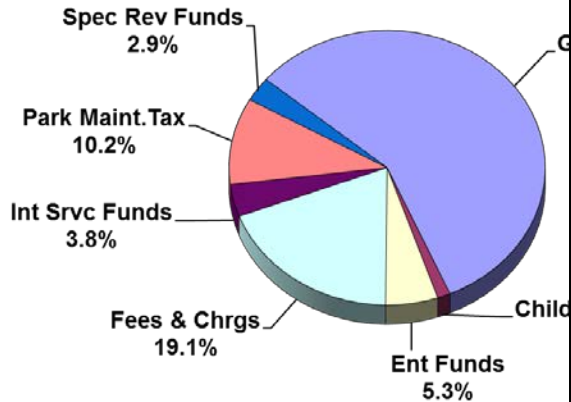

- The Parks and Community Services Department FY 14-15 to FY 15-16 is showing an overall decrease of \$5,371,855. This is due to the ending of the City Administration of Child Care Services for Yolo County. There is a budget of \$173,958 in the Child Care services in FY 15-16 that will cover the administrative work associated with the wind-up of this service.
- Two programs have been moved into the Parks and Community Services Department; Parks and Facilities Planning, from Community Development and Street Tree Planting and Maintenance, from Public Works.
- The Parks & Open Space Management Division increased \$27,750 for continued Parks and Greenbelt facilities maintenance and repair. Community Services will replace the west foyer exterior door at the Civic Center Gym and repair the clay tile roof at the Senior Center for an additional cost of \$57,000.
- Two new positions have been added for FY 15-16, a Parks and Community Services Director and an Office Assistant II. The total cost in Salaries and Benefits for these two positions is approximately \$315,000. In addition an Office Assistant 75% position has been upgraded to 100% in support of Senior Services.
- Capital Outlay expenditures are largely equipment replacement and building maintenance costs. Playground replacements were added in FY 15-16 for Walnut Park (\$75,000) and Northstar Park (\$65,000). Also new storm water pollution prevention plan compliant trash and recycling containers are being purchased for parks throughout the City (\$35,000), as well as one-time funding of \$8,500 for upgraded credit card readers to comply with new federal requirements effective November 2016.
