## City of Davis Organizational Chart

## CITY OF DAVIS

### COUNCIL - MANAGER FORM OF GOVERNMENT

The Davis City Council consists of five members, elected at-large for four-year terms (two members at one election, three members at the following election). Council members must be residents of the city. After each council election, the Councilmember receiving the highest number of votes in the previous election is appointed to serve as Mayor. The Mayor conducts the council meetings and represents the City on ceremonial occasions.

The council appoints the City Manager, City Attorney and all members of the various boards and commissions which serve in an advisory capacity to the City Council, with the council having final authority. The council sets policy on all public matters relating to the City of Davis, and adopts an annual budget in which the year's approved programs, projects, and services are financed. The City Council periodically establishes citywide goals. The council periodically updates the General Plan and Zoning Ordinance.

#### **Role of the City Commissions**

The primary role of a city commission is to review and make recommendations to the council on matters within the commission's scope of responsibility, and to promote increased public awareness, public input, and citizen participation in determination of city policies. On specific matters referred to them by the City Council, commissions serve as the principal reviewing body of the City. All recommendations, however, are subject to approval and revision by the City Council.

#### Bicycling, Transportation and Street Safety Commission

The Bicycling, Transportation and Street Safety Commission monitors and facilitates implementation of the General Plan Transportation Element, Transportation Plan, Beyond Platinum – Bicycle Action Plan, and Downtown Parking Management Plan amongst others; to periodically make recommendations to the city council on matters relating to bicycle, pedestrian and auto safety, including such items as speed limits and appropriate regulatory warning devices; to review all traffic safety proposals and make recommendations to the city council and to approve the acts of the traffic engineer whenever the requirements of this chapter require such approval.

#### Civic Arts Commission

The City of Davis encourages and supports a variety of arts programs and facilities. The Civic Arts Commission considers and makes recommendations to the City Council on cultural and artistic matters by: 1) generating public input concerning the arts; 2) reviewing arts contract proposals; and 3) recommending art intended for public places. The Civic Arts Commission may also review and make recommendations on the City of Davis budgets for arts programs, and facilities, and on the incorporation of art into the city's capital improvement projects.

#### Finance and Budget Commission

The Finance and Budget Commission advises the City Council and staff on issues pertaining to the budget and the implementation of the Development Impact Fee Study recommendations. In addition, advice on other financial and economic issues may be requested of the commission by the City Council including, but not limited to, a broad review of the city's financial structure, the comparative analysis of tax burdens in The City of Davis, and the promotion of increased understanding of the City budget.

Historical Resources Management Commission

This commission advises the City Council on matters pertaining to historical resources, maintains an inventory of historical resources, reviews and recommends designation of historical resources, and reviews applications for alteration permits for historical structures.

Human Relations Commission

The Human Relations Commission shall promote mutual respect, understanding and tolerance among all persons. The Commission shall seek to build a community where relationships among diverse peoples are valued by all, discrimination and hate are not tolerated, the voices of the voiceless are heard, and where citizens can address issues dealing with hatred, discrimination and alienation through education, outreach, studies and recommendations to the City Council.

Natural Resources Commission

The commission's mission is to provide the City Council with recommendations on natural resource issues facing the City of Davis. Some of the issues under the commission's purview include water conservation, air pollution, waste management, recycling, and monitoring the clean-up of hazardous waste sites.

Open Space and Habitat Commission

The Open Space and Habitat Commission serves as the focal point for the community and city government for open space and habitat projects and issues. They advise the council on all matters relating to open space and habitat, monitor and facilitate implementation of open space objectives, and identify solutions to implementation problems.

Planning Commission
