

BREACHING FOR PATROL

Patrol response to residential and commercial buildings

SAFETY

- ◆ Equipment: Patrol gear, gloves, ear and eye pro
- ◆ Pre-existing medical issues
- ◆ If something hurts, stop
- ◆ Firearms are not to be manipulated during this training

Keys of this training

- ◆ Breaching is problem solving (Think outside the box)
- ◆ Do not get married to one technique or solution
- ◆ The ability to read doors
- ◆ Knowledge on how to use breaching tools
- ◆ Give you options to defeat common barricades

Legal Considerations

◆ When to make forcible entry

◆ Exigency

◆ Do you have to make forcible entry? Try before you pry
