BREACHING FOR PATROL

Patrol response to residential and commercial buildings
SAFETY

- Equipment: Patrol gear, gloves, ear and eye pro
- Pre-existing medical issues
- If something hurts, stop
- Firearms are not to be manipulated during this training
Keys of this training

- Breaching is problem solving (Think outside the box)
- Do not get married to one technique or solution
- The ability to read doors
- Knowledge on how to use breaching tools
- Give you options to defeat common barricades
Legal Considerations

- When to make forcible entry
- Exigency
- Do you have to make forcible entry? Try before you pry
Reading the Door: Door Construction
